WMBA Board of Directors Message

Dear Members,

With our current economy many of us are struggling. Now is the time to get back to basics.

Continue to focus on Diversification, Differentiation and Customer Service.

Diversification to insulate from downturns like now;
Differentiation to make you stand out from your competitors;
Customer Service that keeps them coming back for more.

Next week at our networking lunch event, ask the person your talking to if they need to be introduced to a company or individual- then follow through if you can help. You would be amazed at how a couple of simple introductions will come back and help you too.

Remember to renew your listing in our "At your Service Directory. See you at Tropics Monday April 14, 2008.

Alan Renzer - *On behalf of the Board*

Message from the Mayor

There have been a few unforeseen delays over several months, but weather permitting, the beautification plan/medians for the NE 26th Street residential corridor will be completed by the end of April.

Thanks to all who came to the Town Hall meeting regarding Wilton Drive Traffic Calming on March 27th at Hagen Park. It was a great turn out and your comments and concerns were greatly appreciated. Florida Department of Transportation (FDOT) has informed the City that they are working on the design part of the project now and will start the actual work on the crosswalks within 12 months.

A Special Meeting for Public Input on the New City Hall/Public Safety Building was held at Hagen Park on Thursday, April 3rd. Your attendance and comments were most welcomed and we will do our best to incorporate all of your best ideas into the project.

Scott Newton

Mayor of the City of Wilton Manors
