City Hall Grand Opening

Mayor Gary Resnick invites all members of WMBA to join him January 21st at 6:00 p.m. to celebrate the grand opening ceremony for Wilton Manors' new City Hall and Police Station. The event will include tours of the new facility and refreshments sponsored by local vendors. The new building, located at 2020 Wilton Drive, has been designed to house more departments, including Utilities, Community Services, Human Resources, Administration, and the Police Department serving as a convenient one-stop shop

and will replace what is the oldest city hall in Broward County. The building, which was completed on time and on budget, also includes an emergency operations center with up-to-date technology and equipment, improving the City's disaster preparation and response efforts. The EOC was fully-equipped with a \$400,000 federal grant. When staff moves from the old building, the old structure will be demolished and the property redeveloped to add more parking in the downtown district.
