

President's Message

Fall is upon us as kids go back to school and we all get a little busier in our business and personal lives. It has been a great summer for WMBA with excellent general membership meetings and networking lunches at great local businesses.

A special thanks to Humpy's and Point Pleasant for hosting the recent meetings and Torch Club for hosting the September meeting.

I look forward to seeing you all on September 13!
On Behalf of the Board,
Wade Shrack

Mayor's Message

I am pleased to announce that the Florida League of Cities was able to obtain legislation this year that makes it easier for cities to provide incentives to businesses that retain or create jobs in Florida. While the state legislation targets larger businesses, I am planning to introduce a program to create economic incentives for small businesses in Wilton Manors that create or retain jobs. We all know that this economy is particularly difficult on our local businesses. Wilton Manors thrives on small businesses, which make up the backbone of our local economic activities. I have been working

with our City Manager and staff looking into what incentives would be appropriate for Wilton Manors to provide to businesses that create jobs or retain jobs in the City. Stay tuned for more information about this program as we bring it forward for consideration.

It remains a distinct honor and privilege to represent this City and I appreciate your continued support, particularly as we head into the November election. As always, please contact me with any comments or questions at 954-390-2123 or MayorResnick@WiltonManors.com.
